ReSound GN

ReSound OMNIA · Made for hearing in noise

# Try it. Hear it. Enjoy it.

Want to hear your best in noisy situations? Now you can – even when life is loud

GN Making Life Sound Better

## Strengthen your connections to people and the world around you

## ... and hear the sounds that matter

Sounds natural

## Hear in noise and all around

Now you can hear all the details you couldn't before, especially in noisy situations.

### Hear your best

Automatically tune in to what's happening around you, from any direction.

### Enjoy the natural sound of your voice

Join conversations and talk without your voice sounding loud or artificial to you.

## Colors

ReSound OMNIA is available in a variety of stylish tones. Your hearing care professional can help guide you in choosing the right style and color to match your preferences.

Mini RIE RIE BTE PBTE

Feels natural

## Forget you're wearing hearing aids

Our best wearing comfort in a discreet, comfortable design.

### All-day power

Enjoy your day without even thinking about your hearing. All-day battery power on one charge – even when streaming 100% of the time\*.

### All-weatherproof design

EVERY part of the hearing aid is protected with nanocoating for indoor and outdoor use.

\*All-day battery on one charge is based on average use time of 12 hours when streaming 100% of the time across all styles. Battery life can vary by use.

Connects you naturally

## Stream audio, calls and more

Stay connected with greater streaming straight to your ears without interruptions.

### Great conversations

Enjoy crystal clear phone calls.

### Your wireless headset
